## ***MER: A Retrospective from the Top***

*Presented by Pete Theisinger,  
Deputy Director, Mars Exploration Program  
Mars Exploration Rover Project Manager (2000 - 2004)*

Pete was the Project Manager of the Mars Exploration Rover Project from the start of the project in May of 2000 until shortly after the Opportunity egress in Eagle crater in February 2004. He will be talking about his experiences as the Project Manager, and how the project unfolded from his perspective.

*Everyone is welcome.*
